ED AS

EDAS Conference Services, LLC

EDAS FOR FINAL MANUSCRIPTS

BASIC STEPS – AUTHOR PERSPECTIVE

- Authors submit final manuscripts just like review manuscripts
- Authors get immediate feedback on
  - IEEE Xplore PDF compliance
  - Agreement with meta data (paper title, author list)
- Authors can only submit final papers
  - after registration payment and
  - submission of copyright form (scanned or IEEE eCF)
- Optional: pay for overlength charges, with automatic increase in allowable paper length

AUTHOR SERVICES

- Provide assistance to authors with PDF issues
  - PDF versions
  - Font embedding
  - Bookmark removal
  - Copyright submission
  - …
- Typically, one working day turn-around on support questions

CREATING THE PROCEEDINGS

- ✖ EDAS creates on-line and CD/USB proceeding content
    - + front page with IEEE copyright and catalog information
    - + custom content (welcome messages, tutorials, keynotes, sponsors, ...)
    - + program with links to PDF version
    - + author/title index
    - + searchable PDF index
    - + stamped PDF files (copyright, page, conference name)
    - + Windows CD auto-start functionality
        - ✖ usable on all OS plaforms
- ✖ Made available to chairs for review and/or local duplication
    - + can also provide "burned" CDs or finished USB drives
- ✖ Optionally, attendees can download zip file or view content
    - + during and after conference
